555 Funston Place, San Antonio, TX 78209

Purpose of Advanced Training in Vegetable Gardening

To provide advanced training whereby Master Gardeners Extension Volunteers can obtain knowledge in areas that support or expand designed programs of Texas A&M AgriLife Extension Service.

Goal of Master Gardener Advanced Training in Vegetable Gardening

In an effort to provide training, the Master Gardener Advanced Training in Vegetable Gardening training was created as an intensive multi-day training that will empower Master Gardener Extension Volunteers with knowledge and skills required to effectively support and multiply Texas A&M AgriLife Extension Service educational outreach program efforts.

Master Gardeners who fulfill specified training and volunteer requirements will be recognized from Texas A&M AgriLife Extension Service. This certification does not empower the individual with supervisory or administrative authority within his/her local county programs.

Advanced Vegetable Training Requirements

To be eligible for this training an individual must possess an up-to-date Master Gardener certification, or be an employee of the Texas A&M AgriLife Extension Service. The application must be approved by their local County Extension Agent.

Master Gardener Advanced Training in Vegetable Gardening

This Master Gardener Advanced Training is designed to train and certify Master Gardeners to become part of a state corps of Texas A&M AgriLife Extension Service Vegetable Gardening educators. To become a Master Gardener Advanced in Vegetable Gardening, you are required to attend the training, fulfill the training requirements and subsequently meet service requirements described below. Training activities during the course will empower Master Gardeners to complete these service requirements.

Time Commitment

In order to be recognized by Texas A&M AgriLife Extension Service in Advanced Vegetable Gardening, the Master Gardener Extension Volunteer is required to complete a minimum of 20 designated service hours within one year of completing this training. Thereafter, they should be a “go-to” person in their County’s program in support for this subject matter.

Resources Available in the Master Gardener Advanced Training in Vegetable Gardening

- Vegetable Training and Networking with Presentors
- Educational Materials on Vegetables
- Direct Access to Texas A&M AgriLife Extension Service
- Pocket loupe for insect ID

Submit Your Application with Payment
